Career Opportunities

As a BSN student, you will learn diverse skills that will allow you to pursue a multitude of roles in different job sectors such as:

- Direct client care in general Medical Surgical nursing
- Specialty settings such as Labor and Delivery, Behavioral Health, and Pediatrics
- Emergency Department
- Intensive Care
- School Nursing
- Home Health
- Hospice

Admission Requirements

- Minimum cumulative GPA of 2.75 on a 4.0 scale
- Completion of all required prerequisite general education courses with a "C" or above
- Science courses must be taken within the last 7 years prior to the date of enrollment in the program. One course may be taken in the first semester of the BSN-B program (with the exception of Anatomy and Physiology I & II or Microbiology) in order to be full-time.
- Applicants with a non-nursing baccalaureate degree are exempt from the 7-year time expiration requirement and are only required to complete the following six prerequisites: Anatomy & Physiology I, Anatomy & Physiology II, Microbiology, Nutrition, Human Growth and Development, and Statistics.
