

## Trinity College Textbook Voucher

Trinity College of Nursing & Health Sciences has partnered with BNC (Barnes & Noble College) to provide our students with vouchers that can be used to purchase textbooks. Students can use these vouchers to purchase books from BNC and have the charges applied to his/her Trinity College student account. Charges incurred through the voucher program are the responsibility of the student and will increase the amount owed to the school.

Vouchers are processed by the Business Services Department within three days of receipt of the completed form or the date of enrollment, whichever is later. At that time, you will receive an email that contains your BNC login information and voucher ID.
